

What is the Illuminati?

I recently read an excellent book... [PAWNS in the GAME](#), by William Guy Carr. I am going to share several quotes with you from the book that I think are superb. If you want to learn all the details of the Illuminati and their sinister evil plan to take over the world, then this is the book to read!

The International Conspiracy

The following quote is from page IX in the introduction:

Very few people seem to appreciate that Lucifer is the brightest and most intelligent of the heavenly host and, because he is a pure spirit, he is indestructible. The Scriptures tell us his power is such that he caused one-third of the most intelligent of the heavenly host to defect from God, and join him, because he claimed God's Plan for the rule of the universe is weak and impractical because it is based on the premise that lesser beings can be taught to know, love, and wish to serve Him voluntarily out of respect for His own infinite perfections. The Luciferian ideology states might is right. It claims beings of proven superior intelligence have the right to rule those less gifted because the masses don't know what is best for them. The Luciferian ideology is what we call totalitarianism to-day.

The Old Testament is simply the history of how Satan became prince of the world, and caused our first parents to defect from God. It relates how the synagogue of Satan was established on this earth, it tells how it has worked since to prevent God's Plan for the rule of the universe being established on this earth. Christ came to earth when the conspiracy reached the stage that, to use His own Words, Satan controlled all those in high places. He exposed the synagogue of Satan (Rev. 2:9;3:9); he denounced those who belonged to it as sons of the Devil (Lucifer), whom He castigated as the father of lies (John 8:44) and the prince of deceit (2nd Cor. 11:14). He was specific in His statement that those who comprised the synagogue of Satan were those who called themselves Jews, but were not, and did lie (Rev. 2:9; 3:9). He identified the Money-Changers (Bankers), the Scribes, and the Pharisees as the Illuminati of His day.

Page X brings the conspiracy up to date:

In 1774 "An Act of God" placed the Bavarian government in possession of evidence which proved the existence of the continuing Luciferian conspiracy.

Adam Weishaupt, a Jesuit trained professor of canon law, defected from Christianity, and embraced the Luciferian ideology while teaching in Ingolstadt University. In 1770 the money lenders (who had recently organized the House of Rothschild), retrained him to revise and modernize the age-old 'protocols' designed to give the synagogue of Satan ultimate world domination so they can impose Luciferian ideology upon what remains of the Human Race, after the final social cataclysm, by use of Satanic despotism. Weishaupt completed his task May 1st, 1776.

The plan required the destruction of ALL existing governments and religions. This objective was to be reached by dividing the masses, whom he termed Goyim (meaning human cattle) into opposing camps

Quotes about the New World Order

More on the Illuminati...

For those who have never heard of The Illuminati, or are brand new to the study, and who might ask, "In a nutshell, what the heck *is* the Illuminati?" Here's the basic assertion in a very brief capsule:

A man named Adam Weishaupt founded a secret society in Bavaria in 1776, that had as it's goal, to rule the world. The methods they would use would be assassinations, bribery, blackmail, revolutions, and espionage. Their model of organization was similar to the Jesuit Order and the steps and degrees of Freemasonry. They intended to control and manipulate banks and bankers, money-lending powers, the world's financiers. They intended to cause economic collapses, wars, bloody uprisings and revolutions around the world, with each upheaval calculated to re-structure the status quo leaving the Illuminati in greater positions of influence, and poised for their next step. The main enemies or "targets" of The Illuminati in the 1700s were the kings and queens, the monarchies of Europe, and, the Church. The two most-remembered Illuminati-caused revolutions in history, were, the French Revolution and Reign of Terror (1788-1799), and the Russian Revolution of 1917 that first made Communism a world power. The Illuminati and it's diabolical conspiracy was very real. These things actually happened and are a matter of world history. The Illuminati Conspiracy got exposed. The authorities made raids and seized Illuminati documents. In its day this was all public headline news, not some obscure, rare, or arcane knowledge. There you have the basic gist of it. That is the starting point. That is what people usually mean by "The Illuminati."

But is that all there is to it?

What has gone on since then?

And, what is going on today?

This is one of the best spots on the web for you to get the right slant on The Illuminati. It is easy to get off on the wrong foot with this topic, and to be steered wrong by misinformation. BAD misinformation. Tune in here and get it right.

There are many links lower on this page, to Illuminati-related things. They are intended to help you see the nature of the conspiratorial network.

JEWS AND ANTI-SEMITISM

People need to realize that the world's JEWS are NOT the power behind the Conspiracy, as some claim. It is NOT a Jewish plot. There are in fact many extremely ANTI-Jewish, anti-Semitic elements to be found in the ranks of the Conspirators, and in their philosophies. The document called "The Protocols of the Learned Elders of Zion," is not reliable. I believe it was a hoax, a decoy, written, crafted, by the Illuminati, to steer investigators off the trail of the REAL Illuminati, and make them go after the Jews instead. At the time that document was published, the world already KNEW there was a real plot. Researchers and investigators had gotten some of the real perpetrators put in JAIL. The Illuminati was in danger. So they forged a document that "confessed" the real (already known) activities of the Illuminati, but to misguide investigators, they sprinkled wording throughout it such as "we the Jews." And they got the document to fall into the hands of the authorities and the public. Presto! The bloodhounds VEERED OFF and followed the wrong scent from then on. A great victory for the Illuminati. A real coup. Ingenious. Shrewd. A masterpiece of deception! And clear up to this present day, the Illuminati investigators, the very people who COULD help the world by unmasking the plot, are still on the trail of the Jews, who were scapegoated BY the Illuminati! What a tragedy! These "Illuminati"-chasers, "Illuminati"-exposers, are actually serving Illuminati ends, falling for Illuminati tricks, helping to CLOAK the Illuminati, by perpetuating misinformation ABOUT the Illuminati.

So, here also, you will find me in DISAGREEMENT with other believers in the Illuminati. I, for one, am if anything PRO-Jewish, and PRO-Israel. And by the way, some of the best works that have been written to EXPOSE the Illuminati have been written BY Jews. Even some by Orthodox RABBIS! Indeed my own personal favorite of all anti-Illuminati books was written by an Orthodox Jewish Rabbi. Also, the man who first taught me about the Illuminati in 1965, was pro-Israel, and pro-Jewish. He was a 70 year old scholar. He had studied the conspiracy for a LIFETIME. I was privileged to have his LIFETIME of knowledge on this and other subjects imparted

to me, and to ADD to that education, the installment of the last 37 years of my own research. I believe that next to the United States Constitution and the Christian Faith, world Jewry and the State of Israel are the greatest obstacles to the Illuminati global scheme succeeding. That is why the Bible depicts all nations aligned against Israel. Israel stands in the way of the satanic agenda.

Furthermore, the most powerful Illuminist who ever walked this earth was Adolf Hitler. Hitler and the Nazi Party were hatched out of, and sprang from the wings of the ILLUMINATI known as the Thule Gessellschaft, the Germanenorden, and the theosophist circles in Germany. This branch of the Illuminati promoted ancient paganism, the old gods of pagan Germany, and theosophical occultism. It was as thoroughly anti-Christian as it was anti-Jewish. The Illuminati created, shaped and crafted Hitler and the Nazis. Study deeply enough into the occult background of Hitler, Himmler, Rudolf Steiner, Aleister Crowley and Helena Blavatsky, and find out what the Thule Society really was, and you will see. The same Illuminati that earlier launched waves of anti-Semitism with the Protocols trick, launched the Holocaust that murdered six million innocent Jewish people. It is my assertion that anyone hoping to correctly research and understand The Illuminati Conspiracy, must filter out, purge out, and reject as deadly error any and every anti-Jewish allegation or innuendo they encounter in the literature. To fail to screen their research thus, and to fall for even the slightest measure of the slander against the Jews, is to admit the Illuminati's "Trojan horse" into the work. It will pervert the investigation. It will defeat and destroy it. This is one of the chief reasons why generations of exposés have been impotent against the advance of The Conspiracy. Under investigation, the error of incriminating the Jews is FOUND TO BE error indeed, and the net result is that the entire exposé gets DISCREDITED.

My foregoing plea to purge the anti-Jewish error from Illuminati research should probably be qualified, lest the same kind of error be made at the reverse end of the spectrum, which also would discredit the research and do a dis-service to truth. With all the thousands of human beings involved in the illuminist conspiracy spanning the 225 years since Weishaupt's hour, and in the millennia that I assert the movement has existed, were none of the players of Jewish extraction? Certainly there were Jews in it, just as there were people in it from nearly EVERY ethnic grouping on earth, Germans, Frenchmen, Englishmen, Japanese, and Tibetans. And from a wide spectrum of religious and philosophical schools of thought, BUDDHISTS, SUFI MOSLEMS, HINDUS, GNOSTICS, ROMAN CATHOLICS, NEOPLATONIST SYNCRETISTS AND ATHEISTS. A false picture is created by singling out those only of Jewish extraction. So many Roman Catholics have been involved through the centuries, that if we were to ONLY look for Roman Catholics and EMPHASIZE their role, the false picture could be painted that the great conspiracy is PURELY Roman Catholic in nature. Similarly, So many Hindu influences have been involved, that if we were to ONLY look for Hindu influences and emphasize their

role, the false picture could be painted that the conspiracy is purely HINDU in nature. Any rational person thinking the matter through can see the utter fallacy and folly of building a case on having “spotted a Jew” in the ranks of the conspirators. What of the Roman Catholic Swede seated on his right, and the Tibetan Buddhist seated on his left? What about the Anglo-Saxon Episcopalian, or the Nazi? It is an outrage that some Conspiracy researchers cannot see and DO NOT CARE ABOUT any other ethnic representations in the mix other than Jewish. The twisted obsession with finding Jews in the works has led to false “demographics.”

When discussing things “Jewish” special attention needs to be paid to the matter of the KABBALAH, spelled alternatively Qabbala, Cabala, etc. I cannot here post my entire study, proofs, and reasons for it, but will just state my raw assertion: The Kabbalah and Kabbalism is wrongly seen by Jews and non-Jews alike, as something distinctly “Jewish.” It is almost universally referred to as “Jewish mysticism.” But it is NOT Jewish. Pagan, non-Jewish religions and philosophies, and magical beliefs and practices were THE WOMB FROM WHICH THE KABBALAH CRAWLED. It should never have been permitted to creep in and lodge itself in Jewish circles. My assertion is that the Orthodox Jewish Faith as derived purely and strictly from The Holy Scriptures, the five books of Moses and what we commonly refer to as The Old Testament, is the true “Judaism.” Those who adhere to THAT Faith are what I call true “Jews.” The Kabbalah and Kabbalism did NOT arise from THAT pure stream. It gained access FROM WITHOUT, due to flagrant disobedience to the Jewish Faith. It was a clear command of the Jewish Faith, “Learn not the ways of the heathen.” See Jeremiah 10:2 and Deuteronomy 18:9. In particular, it was the *RELIGIOUS* “WAYS” and concepts of the surrounding heathen cultures that God forbade the Israelites to learn and adopt.

The Kabbalah developed in complete VIOLATION of those injunctions. Babylonian, Persian, Neoplatonist and Gnostic religious ideas were learned from “the heathen” and were subtly insinuated into the thinking of fringe “Jewish” cults, RESULTING in that so-called “Jewish” mysticism known as Kabbalism. At times, various Orthodox Jewish rabbis CONDEMNED this pagan invasion. Some rightly denounced practicing Kabbalism as “APOSTACY” FROM THE JEWISH FAITH. Although those righteous voices are today toned down, if not entirely muted, I fully concur: Practicing Kabbalism IS an “apostacy” from The Jewish Faith. It constitutes a revolt from Judaism and adherence to PAGAN, gentile, heathen religion. I assert that he who makes Kabbalism his religion is no Jew. He has changed religions. I further urge that anyone who considers himself a good Orthodox Jew take a stand against Kabbalism, and denounce its INFILTRATION into the Jewish world. Up through history, this was known in Jewry, that going off into the speculations and theosophical mysticism of the Kabbalah was frowned upon by the purest of “Orthodox” Jewish rabbis. And yet, men succumbed to the temptation, and did it anyway. Among the worst types of “ex-Jews” who abandoned Orthodox Judaism for

Kabbalism was a sect known as the Zoharists, followers of THE APOSTATE, JACOB FRANK.

The Zoharists or “FRANKISTS” indulged in sex orgies and every manner of blasphemy and violation of and REPUDIATION OF THE JEWISH FAITH. The Jewish community banned these renegade apostates as heretics. These Frankist Kabbalists taught their followers to SECRETLY renounce and leave The Jewish Faith, but to KEEP UP THE OUTWARD PUBLIC APPEARANCE OF BEING PRACTICING JEWS (as the Sabbateans before them had done). Some of these Frankists and other Kabbalists, whom I assert were no Jews, but enemies of The Jewish Faith, did indeed become Illuminati members and operatives. There were some Frankists, Sabatteans, Kabbalists, apostate “ex-Jews” in the Illuminati. To blame WORLD Jewry for the activities of these and other apostate “EX-Jews” is a supreme injustice. Using these apostates as evidence to implicate world Jewry in their activities makes as much sense as using the deeds of Judas Iscariot, the “ex-Christian” as an example of CHRISTIAN activities in our world. My assertion is, that if you want to properly and fairly understand TRUE Jews in our world, you should use as your example “ORTHODOX” OR “OBSERVANT” JEWS AND RABBIS WHO SHUN KABBALAH, WHO HAVE NO TAIN OF KABBALISM IN THEIR RELIGION, AND WHOSE FAITH IS BASED ON THE SCRIPTURES. There you have the world’s “true” Jews. But when you find renegades, apostates, atheists, theosophists and Kabbalists, ex-Jews masquerading as “Jews,” do not use them as a means to condemn world Jewry.

I also see Jerusalem and the land of Israel in the middle east as rightly belonging to them. I enthusiastically support the State of Israel as it serves such Observant Orthodox Jews as THAT, and I am against all machinations and influences that would take land out of their hands or weaken them in the middle east or make them vulnerable to hostile powers. I favor a strong Israel for the Jewry I have just described. It is complete error for Illuminati researchers to implicate THAT complex, THAT world Jewry in the Great Conspiracy. But it is an entirely different matter when you are discussing so-called “Jews” who are Kabbalists, Zoharists, Frankists, Shabbateans, atheists, the irreligious or non-religious, and those who practice the occult, or who mingle pagan religion into their “Jewish” religion. I confess with sorrow that some of this sort, apostates and heretics, have been found working with the Illuminati conspiracy. But they should not be called “Jews.” It is a tragic fact that they give the legitimate and genuine Jews of the world a bad name. People researching the Illuminati conspiracy need to take great care not to soil true world Jewry with the mud of a few apostates.

HOW TO INVESTIGATE THE ILLUMINATI

For starters, I am assuming that you already know the basics about the Illuminati

(stated at the top of this treatise; Who Adam Weishaupt was, what was set up in 1776, and the usual assertions about the Council on Foreign Relations, the Trilaterals, Bilderbergers, and etc). Research within the understanding of these facts is essential.

It will require understanding some history. First, look in the Old Testament, at how the Israelites were set on opposing and destroying the pagan religions (Ex. 22:18, Lev. 19:31, Deut. 18:10-12, Deut 19:17, 1 Kings 18:40). The Israelite way condemned all the gods and religions of heathen Canaan, Egypt, Assyria and Babylon. The prophet Elijah slaughtered 400 prophets of the heathen god Baal. To see an example of the pagans being set on REVENGE , read 1 Kings 19:1,2 . You need to realize that this is an ANCIENT religious war. For nearly 4,000 years leading up to the close of the Old Testament, the worshippers of Yaweh (the God of the Bible) were locked in mortal combat with pagan religionists. During the intertestamental period, the same battles raged. In 168 B.C, as the champion of paganism, King Antiochus IV of Syria invaded Israel and tried to destroy the Jewish religion. In the temple of God at Jerusalem, he erected an altar to the god Zeus, sacrificed pigs on God's altar, and set up heathen altars in every town in Israel. This precipitated the Wars of the Maccabees. Next, look at New Testament times: In Israel and Syria, the same war was still continuing (Acts 8:9, Acts 13:8, Galatians 5:20, Rev 9:21, 18:23, 22:15). The Christian religion continued the war, denouncing pagan idolatry and witchcraft, basically every form of religion other than the worship of the Judaeo-Christian God. The Romans ordered every subject of the Empire to show allegiance to pagan Rome by burning incense in worship to the ancient pagan gods of Rome, and to the Emperor as a deity. This pagan worship was resisted by Jews and Christians alike. Rome was the Capital of the Empire, and the chief seat of power for the priests of the pagan gods. The pagans of Rome wanted to see the Christians submit to pagan worship, and thereby, to them. But instead, Christianity appeared to be conquering the Empire. This spelled trouble for the priests and priestesses of Isis, Jupiter, Apollo, and a thousand other cults. The pagan world was rocked in 312 A.D. when the Emperor himself became a "Christian" (outwardly at least). Pagan priests and priestesses and earth-witches and countless practitioners of "the old ways" had to go underground and practice in secret. There were countless intrigues, plots, coup attempts and power struggles throughout the next century, in which the pagans attempted to regain the control of the Empire. But the more that Christianity gained the upper hand, the more the old pagan networks had to operate in secret. Secret societies became the vehicles for not only preserving the old religions, but for plotting the overthrow of the hated Christian order, and planning the revival and return to power of paganism. One school of thought in the pagan resistance believed that the Catholic Church at Rome was too powerful to EVER overthrow, and instead went to work on attempting to INFILTRATE and SUBVERT IT FROM WITHIN, using religious syncretism, attempting to blend pagan beliefs into Catholicism. "If you can't beat `em, join

`em, and then change `em from within.” Even before this time, they had attempted to infiltrate righteous godly Orthodox Judaism and to subvert it through Gnosticism, Neoplatonism and the Kabbalah .

ILLUMINATI PROPER

There are quite a few premises held by other Illuminati researchers, that I do NOT subscribe to: Most students of this topic hear right up front that The Illuminati was formed in 1776 by Adam Weishaupt. WRONG . This sets me apart from the herd in a big way. I believe that the Illuminati existed BEFORE Adam Weishaupt launched his particular BRANCH of it. It was HUGE, way before Weishaupt. All that Adam Weishaupt did in 1776 was to form an additional BRANCH of the movement that called for political radicalism. But his was only a small splinter off the main body. So, the MAIN and LARGER and ALREADY EXISTING Illuminati would be found doing just FINE if Weishaupt’s branch ever fizzled. Furthermore, NOT ONLY did the bigger and older movement continue to thrive independent of Weishaupt’s branch, but, even Weishaupt’s branch of the Illuminati survived and regrouped and revived, and grew, and has continued until today. But the older pre-1776 movement always was and still is the LARGER and more influential.

Also, I must say that researchers have greatly erred in only following the FINANCIAL AND POLITICAL tracks of the conspiracy, from the supposed Rothschild and Rhodes era, through the banking conspiracies, the rise of Soviet Russia, the establishing of the Federal Reserve, and the CFR and Trilaterals, and so on and so forth. Going after THAT is the same as going after the specific leaves out on the branches of a tree, while ignoring the root and the trunk, and the soil the tree is growing from. The usual investigative method that says “follow the money trail” does NOT work with the Illuminati. It leads investigators into endless loops and cul de sacs. Quit picking off little leaves and twigs, and go to the real source at the CORE. The Illuminati is a RELIGIOUS movement. The religion is PAGANISM . For generations they have resented how Christianity and Judaism, the religions of the Bible, overthrew and displaced the old pagan gods and religions. When Christianity conquered the old pagan world, THE PRIESTS OF THE OLD GODS WENT UNDERGROUND to survive. The priests of Jupiter, the priests of Apollo, the priestesses of Isis, the worshippers of Thor, Loki, Wotan, Bel, Ra, Horus, Shiva, Kali, the earth mother, the horned god, the believers in Hinduism, Neoplatonism, theosophy, reincarnation, astrology, placating spirits, wicca, and the Gnostics. These were all driven UNDERGROUND, driven into hiding, when Judaeo-Christian forces conquered the western world. They formed undergrounds, resistance movements, secret societies, for the preservation of “the old ways.” Their enemies had brought the religion of the Bible from ISRAEL, from JERUSALEM, and had trampled the old gods with it, and overthrown their idols, and had brought ruin to

the temples of the gods. THE HATED ENEMY WAS THIS CHRISTIANITY, WHICH, HAD SPRUNG FROM A JEWISH WOMB.

The religion of the Jews had produced an OFFSPRING religion, Christianity. BOTH were the “BIBLE” believers. Both believed in the God of Abraham, Isaac and Jacob. THIS GOD FROM ISRAEL was the ruin of the pagan temples and the ruin of the wiccan religion, and of countless sorcerers, witches, Druids, witchdoctors, nature worshippers, priests in the temples of ancient Rome, and of the whole pagan world. THE UNDERGROUND PAGAN RESISTANCE dedicated themselves to survive in secret, to regain strength, and to one day rise again to power, and overthrow the Jewish and Christian “usurpers.” This Pagan RELIGIOUS movement has worked diligently for centuries toward those objectives. That is the origin of the Illuminati, the true lineage, the true source and root of it. And it has been a powerful underground in all generations. When Adam Weishaupt, who was one of them, in 1776, founded his own BRANCH of it, and called it “The Illuminati”, that was NOT the start of the thing, as so many today assert. It had been there for many previous generations.

The idealistic Weishaupt was different in that he was tired of the old pagan STRATEGY of LAYING LOW and letting the pagan resistance grow slowly and quietly. Weishaupt wanted to SPEED IT UP . He was impatient. He wanted to take ACTION . He wanted quick results. Now! Bang! Overthrow the Judaeo-Christian order swiftly and violently! REVOLUTION NOW! But Weishaupt’s branch was really only a matter of a preferred METHOD . The quick method of revolution, assassinations, coups, wars and covert actions. When Weishaupt’s METHOD caused the proverbial manure to hit the fan, and it brought in the authorities, it THREATENED TO EXPOSE the whole underground resistance worldwide. So the broader pagan resistance drew back from Weishaupt, and retreated back into THE OLDER USUAL METHOD of laying low and working SLOWLY. But the shrinking back of Adam Weishaupt’s branch, that one wing of the war that has been called “The Illuminati,” did NOT put even a dent in the larger movement with all its networks and underground societies. Not the slightest dent. So, if researchers into the subject want to get past the leaves on the tree, and get to the core, to the root, the source, look at the RELIGIOUS goings on. When you are studying what they have done in the field of banking, dig yet deeper, into the RELIGION of the banker, or, the religion he is hiding BEHIND his religion (Yes, it’s true, the Illuminati teaches its devotees to PRETEND to be members of respected religions, publicly).

If it is the Trilaterals or the architects of the UN you are looking at, look deeper. Look for their pagan RELIGION. It is THERE that you will find the true leaders of the underground, the PRIESTS of the old religions. THEY are running the show. THEY are the ones pulling the puppet-strings on the bankers and the politicians who are involved in the conspiracy. The same way a Catholic banker in Rome might seek to

please the Pope, and just as a Baptist might seek to please his Pastor, in that same way, the bankers and politicians working for the Illuminati agenda often are just seeking to please THEIR RELIGIOUS teachers, their gurus, their psychics, their astrologers, their channelers, their Wiccan counselors, their shaman, their pagan priests and priestesses. Yes, I tell you, you must look with eyes wide open, and see that these people have the equivalent of “pastors, preachers, and priests” that they respect and revere, but PAGAN ones. Draw back that curtain and look at the real situation and you will see the facts. This is why some of the pieces have seemed to be missing when some people attempt to study Illuminati Conspiracy Theory.

They have tried to comprehend it as a political or financial machine, and have overlooked the fact that it is at the heart really a RELIGIOUS movement. Many, when they first learn of the anti-Christian nature of the Conspiracy, assume they must all be Satanists. SOME are secretly Satanists, true. But not all. In the anti-Christian PAGAN NETWORK of the Illuminati, it is not important WHAT path you choose as your anti-Christian expression. It can be atheism, or Buddhism, or Hinduism, or wicca, or Taoism, or UFO worship, or Satanism, or Scientology, or Sufi, Yezidism, or Baha'i, Gnostic Luciferianism, or anything, AS LONG AS IT CONTRADICTS THE BIBLE, as long as it strikes a blow against the Christian fundamentalists, as long as it goes against the hated Judaeo-Christian beliefs that ruined the old pagan world. Yes, a Buddhist in the Illuminati may smile approvingly upon a Satanist in the Illuminati, but NOT because he is a Satanist, but because they have THIS one thing in common: they are NOT fervent Christians or practicing Jews. THAT is what is important in the PAGAN ALLIANCE.

ARE ALL PAGANS INVOLVED IN THE ILLUMINATI?

Absolutely NOT! Ridiculous! Most of the world's pagans, people in religions other than Jewish & Christian, and even the non-religious, haven't even heard of there BEING such a movement. They are NOT GUILTY of conspiring. Not only have most not heard, but I would add, that in all those religions, there are people who mean well, who are moral people, kind people, decent folks, people of very deep ethical character. I am by NO stretch attempting to implicate all of the world's pagans in an active Illuminist conspiracy. That would be preposterous. Rather, as an analogy, picture a gigantic multinational corporation that has millions of shareholders. Millions of people out there have stock in the company. Pretend we are looking at a company that has 10 million people out there with shares of stock in it. BUT, at the top, there are little closed meetings, in which the CEO meets with a couple of the top brass, and a couple of the richest stockholders, and maybe even a military general from a South American country. Maybe 6 people in this little meeting. 6 people out of 10 million. These 6 men will chat, and will do

some things, and work toward some OBJECTIVES, that the 10 million folks out there are UNAWARE OF. Do you see? It is like that with the millions of pagans in the world. Very FEW of them KNOW what goes on behind closed doors with a tiny handful of their fellow-believers. Just as examples; Are you a Mormon? Do you know what the president of the Mormon church told his close associates today? No you don't. Are you a Catholic? Do you know what the Pope told his close associates today? No you don't. Nor do the world's Sufis know what goes on behind closed doors, nor the world's Rosicrucians. Nor do all of the world's Wiccans. Nor do the masses of Freemasons around the world know what their leaders are up to. The Illuminati does NOT bring all of the multitudes of the world's pagans in to the planning table, and make them a part of what they are doing. The strategists and planners of Illuminism keep the strategic planning committees small and tightly coordinated, and, above all, secret.

WHAT'S IN A NAME?

What about the name, "Illuminati"? This is such a simple basic matter, that it is astonishing to me, that this even has to be addressed, but it does. Please consider a couple of analogies here: A man named Frank has a sandwich shop. It is called "Frank's Sandwiches." Later, he decides it is too plain sounding, and he re-names it "Sandwich a Go Go." But it is still Frank's business. He still owns and runs it. So what's the big deal if the earlier name is dropped? How about another analogy: A big electronics company named "Glump's Electronics" gets in trouble with the law over some bad practices. This gets them some bad press, and their public reputation suffers. So the board of directors meets, and they change the company name to "Electro-corp Energy Products," and they continue to function, but under a new name. It happens all the time. How about a girl in a small town who gets a bad reputation. She moves to a new town and changes her name from Betty to Sue. How about the Communist Party in some little country out there. They may change their name from "Communist Party" to "The People's Liberation Defense Initiative", and yet still be the communists in that country. This also happens all the time.

What if tomorrow the entire Republican Party changed its name to the "American Party", but they kept their same agenda, the same platform, and the same leaders? How about another example of diversity of names: the network we call the "Christian Right" in the US. So what if a piece of it calls itself the Christian Coalition? So what if others go by the name Moral Majority? Or Concerned Women for America? They could all change their names to new names like "The American Women's Alliance, The Moral Masses, The Coalition of Patriotic Christians" etc, but they would all still exist, the same people they were before. In other words, the NAME that a group uses is NOT what makes it exist. They can change names as

often as they change socks. So what? In the case of the Christian right, it is NOT their name, but their beliefs and practices that make them the Christian right. If they change names, but continue to hold the beliefs of the right, and to hold the practices of the right, then they are still the right, no matter how many new names they invent for their movement. If it walks like a duck, and quacks like a duck, and lays duck eggs, it is a duck, even if someone re-names the duck "My Dog Rover." And so it has always been with the network we are used to calling "The Illuminati." It has USED many names. It has changed names countless times. And the various branches and wings of it have likewise undergone as many name changes as a bank-robbing heroine addict prostitute dodging the cops.

But when you look at WHO runs the groups, WHO are the directors, the ruling gurus, the priests at the top, and look at what their BELIEFS are, and what their PRACTICES are, lo and behold, it is still the ILLUMINISTS of old. On Halloween, little Johnny may wear a different mask each year ; one time he's Frankenstein, the next time he's Wolfman, and the next time he's Dracula. But come on people, it's still Johnny in there! This does not take a genius. So, down at Illuminati headquarters, one day the chief steps outside the front door and takes down the hanging sign that says "Illuminati" and puts up one that says "Illuminated Ones." A month later, he steps out and puts up one that says "The Enlightened Ones." Next time he takes that down and puts up "The Lodge of Light." A year later it's "The Brotherhood of Light." Later it becomes "Council of Wise Brethren." So what? Helooo? Anybody home here? What if a painter gets summoned to the White House in Washington DC, and they have him paint the place gray? Then they call it "the Gray House." But I'm telling you, if the President still lives there and runs the country from that building, it is the same institution, whether it is called "the White House" or "the Gray House."

Wake up and smell the coffee here. When Adam Weishaupt's branch of the Movement got in trouble with the law, and got a black eye in public opinion, they discontinued the USE of the NAME "Illuminati." The NAME was unimportant and unneeded. It was necessary to do some quick re-shuffling, some swift slight-of-hand (which walnut shell is the pea under?) and some fancy footwork. But the WORK of ILLUMINISM continued uninterrupted, and re-surfaced all over the world bearing many names, but none the less pushing the same agendas, holding the same beliefs, and tenets, and keeping the same practices. One needs only to follow that trail, to find out that also, the same individuals, the same leaders, the same gurus and the same movers and the shakers were still at work. When some uneducated critic pops off and says "The Illuminati ceased to exist," I cannot help but marvel. My jaw drops open, and I stare in amazement. I'm looking at a "genius" who will think the White House has ceased to EXIST, if it gets painted gray! He can't see that the President is still IN THERE, can't see that nothing has changed in the order and structure of government, can't see that life goes on. Rather, he keeps

repeating, “the White House is gone. There is nothing today called the ‘White House.’ It ceased to exist. I’ve been to Washington and looked for it. I went to 1600 Pennsylvania Avenue and looked, and there is no sign that says ‘White House’. There are some that say ‘Gray House,’ but there is no such thing as a “White House.”

Thank goodness this fellow is not a detective for the FBI! All it would take for criminals to successfully escape the law under this man’s scrutiny would be to change their name from Betty to Sue. He would give up and just tell his superiors “I can’t find a ‘Betty’ out there. So I figure she doesn’t EXIST.” Sheer genius! What a scholar! With this guy, all it would take to hide the entire Mafia, would be for the mob to take the sign down from out front that says “Mafia” and put up one that says “Tinkerbell’s Bakery.” Our genius will report back to his boss, “No Mafia EXISTS. I can’t find a sign anywhere on that street that says “Mafia.” These brains want a sign hung out over the front door that says “Illuminati meets here” or else they think it doesn’t exist! Glue some antlers on a skunk and paint over its stripe, and these geniuses couldn’t find that skunk if it was squirting them on their noses! Imagine someone thinking there are no Nazis in the world, because Hitler is dead. Imagine someone saying that there is no America, because “George Washington died a long time ago.”

The birth of blatant Satanism is very easy to understand. Although some have argued that modern pagans have modeled their “horned god” after the medieval Catholic concept of the “devil” (or at least relished the similarities of the form), I subscribe rather to the view that, early on, the Christians referred to the horned god Pan (and every other pagan god) as a “demon,” a “devil,” Satan, and evil. Now imagine the worshippers of Pan, getting that news. A devoted worshipper of Pan gets up in the meeting, and says “The hated Christians say our beloved god Pan is actually ‘Satan.’ Well then, ‘Hail Satan!’” and a rousing chorus of “Hail Satan” goes up from the crowd, amid snickers and giggles and winks. ‘Til then, they didn’t even believe there WAS a Satan. But if the Christians put the name Satan on their old horned god, then to them “satan” is a positive thing, a good thing. Very simple.

The idea was to love what the Christians hate, and to hate what the Christians love. This is war, after all. There also arose Gnostic religionists who taught the people a way to believe that the Old Testament God of the Jews, Yaweh, or Jehovah, was the evil being, and that the being in the Scriptures called Satan or Lucifer, is the good god! Do your own study on GNOSTICISM, to discover the facts for yourself. One of the leading champions of this evil doctrine was the world’s most powerful Mason, Abert Pike, head of the Ancient and Accepted Scottish Rite of Freemasonry. In his own book, *Morals and Dogma*, in which Pike sets forth the dogma of their religion, he teaches this abomination to his fellow masons, as glorious truth.

These various cults and individuals, and the web they form as they network together, are the "solar system" of which the Illuminati is the sun. Most of the leading priests of Illuminism today are Gnostics, Theosophists, Syncretists, Rosicrucians, New Agers, Kabbalists and Neoplatonists. But to them, every belief and practice that contradicts Christianity and Orthodox Judaism is a potential ally to be supported, a tool that may help in the war. Atheism, humanism, pornography, hedonism, shamanism, the overthrow of morals in media, entertainment, and cultural life, anything that appears to "liberate" the masses from the God of the Christians and Jews, and contradict the Bible. The devotees of the Bible are what has caused all their problems all along the way. So again, don't just look at the outward public face of the Conspiracy. Don't just look at the surface, such as international bankers, the CFR, Trilaterals, the Treaty of Rome, the U.N., socialism and the European Union, look at who the leaders teachers are, who their priests are, who their philosophers are.

Don't stop short and point at some world banker. Find out who his shaman is. Find out who does his astrology chart. Look at who taught him Gnosticism, theosophy and syncretism, and you will find yourself looking squarely at the Illuminati itself. For instance, Gregory Rasputin was one. He was the occult shaman sent in by the Gnostic secret society, the Klysty, to spy on, undermine, and subvert the House of the Romanovs. He was the Illuminati's man in the Czar's Palace. He, more than anyone else, brought down Czarist Russia and opened the gates to the Bolsheviks. But investigators are always looking for the big powerful politicians with the most press coverage, or the most heavily armed, when hunting for the conspirators. Meanwhile, the shaman, the priest who did it, is sneaking out the back door of the palace, unsuspected, just some "kook" that doesn't matter. This is why Adam Weishaupt's little BRANCH of it, which he set up in 1776, was a mere blip on the screen. Although his Bavarian Illuminati wing got the most publicity, it never was the main arm of the pagan movement.
